3rd Annual Hayden Christmas Light Show

Looking for something fun to do with the family as Christmas approaches? Bring the kids to this **FREE** event. (suggested donation of \$5/person)

An antique Cotton Candy machine will provide sweet treats for all as Hot Chocolate is served. Christmas Carolers will be making their rounds as children have their professional photograph taken with Santa Claus. Dolly the Camel returns this year along with some of her animal friends. Live acts include children's choir, a Living Nativity with shepherds and wise men. At 7pm, take part in community caroling-by-candlelight. We have added buses to our fleet of shuttles along with patio heaters and porta-potties. Our show has also been extended until 9pm.
